TESTIMONIALS

This was our dream venue when we started planning our wedding, but when it came to finalizing the details, we also had a dream coordinator in Lauren. She was very easy to communicate with leading up to the wedding. She was prompt with all my emails, phone calls and when we met in person for our finalization meeting, I got even more excited for the wedding day. I just had a baby a couple months ago, so she was very understanding and patient with me and was very on the ball. It also helped that she came with a wealth of knowledge in the wedding space and was able to put my mind at ease on a lot of the little details I probably would not have considered for the day. I was especially impressed with their ability to cater to my vegan friends to ensure they were fed well and taken care of, and the highlight of the day was our EPIC grand entrance in a golf cart. It was the most memorable experience for us and our guests. We are still hearing from our friends and family rave about how amazing the food, and the staff were. Thank you again Lauren, Tom and staff at Tsawwassen Springs.

*Our wedding experience was a breeze thanks to Lauren and the team at Tsawwassen Springs. It is so helpful to work with a team that truly loves what they do. During the planning process and to the actual day itself, Lauren was by our side through everything. Her professionalism and dedication to the job helped put us at ease when it came to our anxieties (and trust me, there were a lot of worries that we had). The wedding day itself was amazing; the venue was beautiful, the schedule was so well organized, and our food was delicious (also special thanks to Krystal, our banquet manager!). We were more than happy with the outcome of our special day, especially after receiving many compliments from our guests. Weddings only happen once and we were more than lucky to have Lauren and the team be a part of our experience!*

## TESTIMONIALS

*Not sure exactly where to start here, but we recently had the most perfect wedding and Lauren was a big reason why. We were originally working with a different event sales manager and Lauren took over the job just 3 months before our wedding. As soon as she took over, she made a point of connecting with us and catered to all of our requests. Leading up to our wedding day she was extremely organized and met with us multiple times. We had a lot of ideas and Lauren was able to bring our vision to life on the big day. Lauren is very diligent, thorough and a great leader. It's obvious she's very passionate about what she does and we would recommend working with her to anyone. Tsawwassen Springs is lucky to have her.*

Our wedding day was exceptional and you all were so amazing! We couldn't of asked for a better team of amazing vendors. We had the best day at Tsawwassen Springs. Our wedding day came to life the way we hoped for and more. Lauren was awesome to have to lead the day alongside the staff. The food was exceptional, so many of our guests couldn't stop talking about how delicious the food was. Overall, our day was exactly how we hoped it would be and more.

*We had our reception in the Springs Ballroom and it was the perfect space for our 110 guests. Everything ran so smoothly! Lauren was amazing during the whole planning process. We even got to make our grand entrance on a fancy golf cart! (Whaaa!?) My husband and I are vegetarian so the only meat we chose was salmon, but guests didn't even notice since everything tasted SO AMAZING! Highly recommend this venue.*
